

AMENDED IN ASSEMBLY MARCH 29, 2005

CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 952

Introduced by Assembly Member Coto

February 18, 2005

An act to ~~amend Section 17463.6~~ *add and repeal Section 17463.8* of the Education Code, relating to public schools.

LEGISLATIVE COUNSEL'S DIGEST

AB 952, as amended, Coto. Surplus school property: use of proceeds: East Side Union High School District, ~~Franklin-McKinley Elementary School District, and San Jose Unified School District.~~

Existing law, the Leroy F. Greene School Facilities Act of 1998 (the Greene Act of 1998), requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition.

Existing law requires a school district to use the funds derived from the sale of surplus property for capital outlay or for costs of maintenance of school district property that the governing board of the school district determines will not recur within a 5-year period. Existing law authorizes a school district having an average daily attendance of less than 10,001 in any fiscal year to deposit any and all interest earned on those funds into the general fund of the district if the school district meets certain conditions.

~~Existing law, notwithstanding any other law, and until January 1, 2007, authorizes the Santa Clara Unified School District to use the proceeds from the sale of surplus real and personal property, as provided, to deposit the proceeds into the general fund of the school~~

~~district or county office of education, and to use the proceeds from that transaction for any one-time general fund purpose. If the purchase of the property was made using the proceeds of a general obligation bond act or revenue derived from developer fees, existing law prohibits the amount deposited into the general fund of the school district or county office of education from exceeding the difference between the purchase price of the property and the proceeds of the transaction divided by the amount of the proceeds of the transaction, as defined.~~

~~This bill would afford the same authorization to the East Side Union High School District, the Franklin-McKinley Elementary School District, and the San Jose Unified School District, notwithstanding any other law, and until January 1, 2008, authorize the East Side Union High School District to use the proceeds from the sale of surplus real and personal property, as provided, to deposit the proceeds into the general fund of the school district, and to use the proceeds from that transaction for any one-time general fund purpose.~~

~~The bill would declare that, due to the special circumstances applicable to the East Side Union High School District, the Franklin-McKinley Elementary School District, and the San Jose Unified School District, a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution, and the enactment of a special statute is therefore necessary.~~

~~Vote: majority. Appropriation: no. Fiscal committee: yes-no. State-mandated local program: no.~~

The people of the State of California do enact as follows:

- 1 ~~SECTION 1. Section 17463.6 of the Education Code, as~~

8 transaction shall be calculated as the net present value of the
9 transaction.

10 (c) Before the East Side Union High School District exercises
11 the authority granted pursuant to this section, the governing
12 board of the school district shall at a regularly scheduled

19 enacted statute that becomes operative on or before January 1,
20 2008, deletes or extends the date on which it is repealed.

21 SEC. 2. The Legislature finds and declares that a special law

36 ~~revenue derived from developer fees, the amount of the proceeds~~
37 ~~of the transaction that may be deposited into the general fund of~~
38 ~~the school district or county office of education may not exceed~~

40 ~~price of the property and the proceeds from the transaction,~~

1 divided by the amount of the proceeds of the transaction. For the

14 ~~Unified School District, pursuant to Article 8 (commencing with~~
15 ~~Section 17075.10) by an amount equal to the amount of the sale~~
16 ~~of surplus real property used for a one-time expenditure of the~~

24 ~~date of sale.~~

25 (d) ~~Before the Santa Clara Unified School District, the East~~
26 ~~Side Union High School District, the Franklin-McKinley~~
